

```
/* compile  
~$ javac DavisBase.java
```

```
/* it should result in 4 class file: DavisBase / Table/ Page/ Buffer
```

```
/* run  
~$ java DavisBase
```

Notice:

String, Date, and DateTime value should be wrap by Single Quotation Marks ‘ ‘

e.g:

```
insert into Students (row_id, first_name, last_name, grade_level, gpa, birth_date)  
values (1, 'Daniel', 'Duncan', 2, 3.57, '1996-05-11');
```
